- @ imsavyasachi@gmail.com

OBJECTIVE

A highly motivated and creative web developer seeking an entry-level position in a dynamic organization where I can utilize my technical skills and contribute to the growth of the company.

EXPERIENCE

September, 2022 - Current

- MedPlus

RECENT PROJECTS

- **Portfolio Website**
  Description:
  Designed and developed a personal portfolio   website to showcase my skills and projects in   web development.
    - Built the website using HTML, CSS, and JavaScript, ensuring it is responsive and mobile-friendly
    - Incorporated Bootstrap to add interactivity and enhance the user experience
    - Utilized Git for version control and deployed the website on a web server using FTP
    - Continuously updated and improved the website with new projects, blog posts, and design changes
